BUS DRIVING FAMILIARISATION AND REFRESHER COURSES

Medium Rigid (MR) - any motor vehicle with 2 axles and a GVM of more than 8t. Any towed trailer must not weigh more than 9t GVM.

The vehicle used by Royce is a Mercedes Benz MkIV, 45 seats, Route Service Bus, 11 metres long, 16000 tonne, Automatic Transmission.

For drivers that already hold a Class MR Driving licence or higher, but require Bus driving experience for employment opportunities, we can provide familiarisation, refresher or pre-employment assessments.

Costs:

Class MR Bus Training	$115.00	per hour (minimum 3 hours)

It is recommended that drivers consider at least 6 hours for familiarisation to ensure they are at industry standards for driving public passenger vehicles. A minimum 3 hours training session is required, and if further training is recommended, we can organise this after the initial session.
